## THE FUND

Financial Services Partners Fund I LLC is a financial services-focused private equity fund created by Hovde, a longtime leader in the sector. Hovde Private Equity Advisors seeks to invest in growth opportunities, management buyouts and turnarounds.

## HOVDE PRIVATE EQUITY ADVISORS LLC

Since 1994, Hovde's private equity business (including the firm's affiliated merchant banking unit) has invested in companies across the financial services space. Each of these investments has resulted in significantly increased operating performance and enhanced long-term value for our partner companies. The Hovde organization also includes Hovde Financial, a top-ranked M&A advisor in the financial services industry, and Hovde Capital Advisors LLC, the manager of a series of hedge funds focused on the financial services industry.

## TARGET INVESTMENTS

HOVDE SEEKS TO PARTNER WITH FINANCIAL SERVICES COMPANIES WITH THE FOLLOWING CHARACTERISTICS:

- **FRANCHISE VALUE** - Possess a unique market presence, a defensible business model and competitive standing in the industry.
- **GROWTH ORIENTATION** - Have growth opportunities and a need for capital to achieve the envisioned growth, or are financial services institutions involved in a turnaround.
- **PROVEN MANAGEMENT TEAM** - Possess a solid senior management team that intends to remain with the company for a minimum of one to three years.
- **RECORD OF SUCCESS** - Have matured beyond the start-up phase and have operating history with a clear plan to profitability.
- **STRATEGIC OPPORTUNITY** - Are companies looking for an investment of \$5 million to \$15 million. For the right opportunities, the Fund may partner with other investors to provide \$50 million+ in equity capital.
